

# Free one to one help to use the internet with **CANCER CARD**

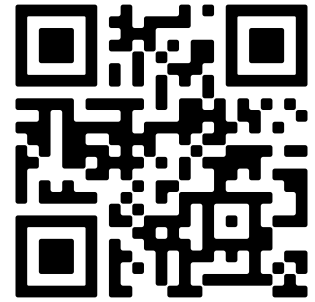

**If you're a cancer patient and feeling a bit lost in the digital world, call our helpline and we'll have someone guide you through it all.**

We have a partnership with We Are Group and Lloyds Bank to help you to access a device and learn how you can make the most out of using the internet for a range of skills including:

- Setting up a new device
- Creating an email address
- Keeping you and your family safe online
- Using our Cancer Card website to find cancer support
- Video calling and social media
- Accessing essential services online such as banking, food shopping, GP appointments and the news

Call:

**0345 222 0333**

open Monday to Friday 9am-5pm

Mention 'Cancer Card'  
and let's get you  
connected!

**If you are not currently able to use the internet you may be able to get a free tablet as well as support on how to use it.**
